Small Agenda Presented at Township Board Meeting

BY MARGARET E. O'KELLEY

Despite the Board not meeting on August 11 th because of a lack of quorum, the Board faced a light agenda at their August 25th meeting.

The Board did take another look at the application made by the Grover family to apply for the Farmland and Open Space Preservation Program. This is a program that provides certain benefits including tax breaks if the property owner waives some of their property rights.

At a previous Board meeting the Board had approved the application and that approval started a 45-day period where certain parties could object to the application. The Township attorney advised they received no complaints and the matter was before them for final approval before sending to the State of Michigan for their review.

The attorney said there appeared to be a problem with the length of time the Grover family wanted the program to be in affect. He said the section in the appli-

cation was blank and said the Board had three options: 1) Approve and move the matter to the State of Michigan; 2) Deny the application and the applicant had ten days to appeal or; 3) Table the matter until the application clarified the matter. This last option did not seem viable since the Board was under a deadline to act.

Fortunately, Supervisor Mitchell found that one of the application indicated 10 years so the Board simply applied that period to the other applications. Also, prior to formal Board action Mr. Grover arrived at the meeting and he confirmed the period was ten years. He asked the Board to approve the application and he said he was in the process of looking at another program that was currently before the state legislature.

Trustee O'Kelley suggested to Mr. Grover that the process with the State of Michigan would likely take some time and he was certain the Grover family could withdraw at anytime prior to the final state action if the Grover family decided they wanted to participate in another program.

The Board approved the application and the matter will be sent to the State of Michigan for their review.

In another matter, the Board was asked to consider either the appointment of two City of Taylor residents to operate the telecommunications equipment during the taping of Board meetings or approval of payment for services rendered. It was never clear why it was on the agenda.

Trustee O'Kelley asked why this matter was before them and asked for the history behind it. Supervisor Mitchell said he was not sure why the matter was before them.

Trustee Carey said she understood it was before the Board so the two people could get paid for working the cameras on prior occasions.

All of this seemed to confuse the Board because generally the Telecommunications Committee would present names of people they would like to help with the taping of the meetings. The Board would approve the names but did not approve payments under special agenda items but under the broad format of "bills payable."

Trustee Adkins objected to the agenda item and made a motion to refer the two applicants from Taylor to the Telecommunications Commission. She suggested they should make the recommendations and also develop a policy regarding how the people were chosen to work the equipment. She said the workers ought to be Huron Township residents. Her motion passed.

In another matter the Board denied permission to the Capitol Improvement Com-

mittee to use the Historical Building for their meetings.

During public participation, Sandi Somers of the Historical Commission and the Historical Society urged the Board to deny the request. She said the building had become more of a museum than a meeting place. She also said she thought the Township should develop a policy regarding the uses of the buildings. The Board denied the request of the Capitol Improvement Committee.

Civil War is Revisited by the Township Historical Society

BY MARGARET E. O'KELLEY

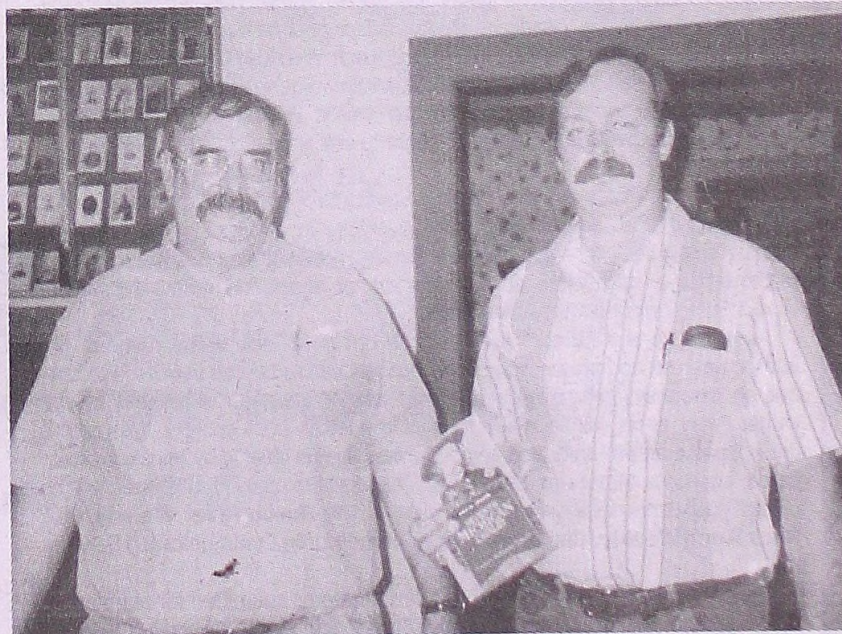

The Huron Township Historical Society hosted an evening about the Civil War on August 19, 2004 at the Samuel Adams Historical Museum in New Boston. The presentation was given by Robert Coch and Dale

been Civil War buffs since they were young children. Coch said he began his study and his collection about age eight.

They brought with them an extensive collection of different types of armaments, photo business cards used by the soldiers, several photographs of Michigan Soldiers in uniform, diaries, and other personal artifacts.

Coch and Meissen topped off the evening with an

extensive and detailed slide presentation followed by a question and answer session.

Meissen also had books available about the Michigan Militia and these books could be purchased for a nominal fee.

These gentlemen will be back to the Historical Museum during the Huron Applefest. If you're interested in the Civil War, you don't want to miss their presentation.

Romulus Library 2004 Summer Reading Program

'Discover New Trails at Your Library' is Successful!

The Romulus Public Library wishes to say thank you to all the young people of the community and par-

ents who participated in the Summer Reading Program. 112 children from Romulus, Huron Township, New Boston and surrounding areas participated and read for 77,117 minutes during the six-week program.

The Summer Reading Program is sponsored annually by the Friends of Romulus Public Library, Romulus Rotary, Romulus Chamber of Commerce, and Huron Rotary. It is designed to encourage children to read for pleasure and explore all the resources available at the Library. The children and parents enjoyed weekly entertainment at the library. They also learned about Lewis and Clark expedition, Bike and Helmet Safety, Reptiles and Farm Animals. The reptile program was a favorite of the elementary school children. Michael Brophy brought his reptiles into the library and explained the important

roles reptiles have in the environment; as well as caring for reptiles as pets.

42 children read or (were read to) 15 hours or more this summer. Donovan Moomaw of Romulus read the most for a total of 72 hours and 55 minutes. Other readers were Madison Alexander, Derek Bacic, Ian Bacic, Brian Barron, Alexander Brosseau, Nicholas Brosseau, Cameron Buck, Andrew Burcroff, Emily Burcroff, Paul Burcroff, Alexandra Dwyer, Danielle Dwyer, Jessica Fenner, Joseph Forbush, Jason Ford, Stanley Gadille II, Amya Gray, Aaron Hayse, Andrew Hayse, David Hayse, Laura Hayse, Sarah Hayse, Noah Jones, Caitlyn Kalinovik, Emily Kalinovik, Tommy McKinney, Dylaney Miller, Matthew Moomaw, Rachel Pidgeon, Conrad Russell, Cody Salajan, Kyle Salajan, Shanya Sturdivant, Drew Summitt, Jeremy Summitt,

Lauren Summitt, Jacob Turek, Jonathon Turek, Jordan Turek, Alex Wayt, Alyssa Wayt.

Last day of the program, children received certificates, prizes and pizza. Drinks and cups were donated by Wayne Road McDonalds. Some of the prizes that children received were donated from Skateland West, Michigan Friends of Education and McDonalds. A very special thanks to all the sponsors and Friends of Romulus Library, Romulus Rotary, Romulus Chamber of Commerce, Huron Rotary for their generous support. A very special thank you to each and every student who have made this year's program a lot of fun.
